

Sermon Topic: Remember Where...

Monday, May 25, 2020 is Memorial Day. As a nation, we will recall the persons who have given their lives in service to our country and the world.

Being reminded of important milestones in our spiritual journey helps us to be grateful and focused.

Remember from where we came—the haunt of the helpless, the path leading to God’s wrath...

Remember where we are going— heaven... no sorrow, no suffering, no crying, reserved for you...

Hi Chuck,

As you are about to hear, I, like so many others, am getting awfully tired of this Coronavirus. While the toll it is taking on individual lives is severe, I fear the toll taken on relationships might be even worse.

In this brief video, I share a great story and a simple practice to help people protect their important relationships.

Thanks for watching and for letting me know your thoughts.
