What the Church Should Be

A much older and wiser preacher reminded me that the true church is more than having a biblical name, organization, and worship. She must also have the personality of Jesus (Philippians 2:1-4):

The church is a place where there is... *Encouragement... Comfort... Fellowship... Compassion.*

Then, the church is a place where people are... *Wholehearted agreement... Mutual love... Unified in spirit and purpose.*

The church is a place where you should never find... *Selfishness... Empty conceit.*

The church is a place where you should find believers... *Who are humble... Who regard others as more important... Who have a genuine interest in others.*

We are the true church when we have the mind and heart of Christ living in us.
