Volume 24, Issue 29

July 18, 2021

For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men who suppress the truth in unrighteousness, because that which is known about God is evident within them; for God made it evident to them. For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse (Romans 1:18-20 NASB).

Brevity of Life

If you were born in 1901, your life expectancy was 49 years. If you were born in 2001, your life expectancy was 77 years. That's a jump of over 50%.

While life expectancy has multiplied, the process of aging continues to catch up with every person. Wrinkles, arthritis, failing organs, frailty, and more have caused many to realize that growing old isn't for the weak.

Even though we've seen an increase in the length and quality of life, death continues to make our existence a breath and a vapor.

The wise person will make the most of his time on the earth. He will live in the righteousness of God. He will help and encourage others. He will appreciate the life God has given him to live.

The wise person will also plan for living in the spiritual realm. He will believe in Jesus' power to save. He will obey Jesus' commandments. He will enjoy and share the peace and hope of Jesus.

*“So teach us to number our days,
That we may present to You a heart of
wisdom”
(Psalm 90:12).*
