“Do not let your heart be troubled; believe in God, believe also in Me. In My Father’s house are many rooms; if *that* were not so, I would have told you, because I am going *there* to prepare a place for you. And if I go and prepare a place for you, I am coming again and will take you to Myself, so that where I am, *there* you also will be. And you know the way where I am going.”
 (John 14:1-4 NASB).

Understanding God's Message

There are several English translations of the Bible written so that anyone with an eighth-grade education can read and understand it

(<https://www.christianbook.com/page/bibles/about-bibles/bible-translation-reading-levels>):

- New International Version (8)
- Common English Bible (7)
- Christian Standard Bible (7)
- New King James Version (7)
- New Living Translation (6)
- God's Word (5)
- The Message (5)
- New Century Version (3)
- New International Readers Version (3)

Does this mean that nearly everyone who can read English can read the Bible and understand its basic message? If so, the average adult can read the Bible and learn what to do to please God.

This is the premise of our Q Place groups—the average adult can read and understand what God's word is teaching a person to do. We are reading God's word, answering insightful questions about what we read, and discussing our various perceptions of the passage. Each person then draws their own conclusions and applications. We share our various insights with respect and without fear of reprisal.

This atmosphere allows seekers to explore and test ideas. In the end, everyone will be accountable to God for his or her own decisions, beliefs, and practices (2 Corinthians 5:10). Q Place treats everyone like an adult who is capable and responsible.
